

Caring For Our Environment

Recycling Is Easy!

It's easy to recycle rubbish like bottles, cans and paper.
Help out at home by separating recycling from the rest of the rubbish!

Match each item to the correct bin!
(Hint: aluminium things are shiny and can be crushed!)

Trash Tidy Up!

Rubbish left at the beach or on the ground like fishing line and plastic bags can end up in the ocean and hurt ocean animals. Always pick up your rubbish and put it in the bin! This will reduce the impact you have on the environment!

Circle the items that should NOT be in the ocean!
